IHM is pleased to announce that the **Strategic & Financial Planning Course** (one of the five core courses within the Institute's Certificate in Property Management program) will be offered in an online format. IHM students are encouraged to take advantage of this opportunity for an online learning environment outside of a community college.

The course will be offered in a rigorous 4-day format with the instructor covering several chapters weekly with time for questions and discussion. Students will then have the week to review chapters and prepare for the next week's class. The exam will be held on the 5th week.

### Program Outline

This course is designed to provide a complete review of the accounting process and principles, the managerial use of accounting and financial statements and their analysis, and budget preparation procedures for property managers. In addition, the techniques and approaches for establishing and organizing objectives and implementing strategies will be discussed.

NOTE: IHM will courier the course manual in advance. Students will be required to read and complete certain chapters from the manual prior to the course, so strict adherence to published registration deadlines will be observed.

**Cost: \$700.00** (plus \$91.00 HST)

Fee Includes course manual
