JOB DESCRIPTION

Position Overview

Reporting to the Supervisor, Capital Projects and Development, the Certified Plumber ensures that community housing properties and units are maintained to standards set by Health and Safety and residential tenancy legislation. The City of Cornwall is seeking self-directed and dedicated individuals to carry out various general day-to-day plumbing repairs for various types of housing units and buildings within the Cornwall and SDG portfolio of community housing units.

This posting will remain open until the position is filled. Apply now - interviews are being conducted on a rolling basis.

Duties and Responsibilities

The Plumber is responsible for:

- Read blueprints, drawings, and specifications to determine layout of plumbing, water supplies and drainage assemblies.
- Repairs and maintenance of housing units plumbing systems, working on plumbing work orders and assist crews with unit turnover.
- General upkeep and preventative maintenance of plumbing systems, to project a positive image of community housing.
- Repair and/or replace hot water tanks, drains, faucets, taps, toilets, and all internal piping.
- Respond to work calls such as clogged sinks and toilets, leaks in high rise apartment complexes and troubleshooting plumbing issues throughout the SD&G area.
- Test, check and inspect plumbing systems when requested or as needed, provide assistance to contractors and emergency personnel.
- Cut openings in walls and floors to accommodate piping and plumbing fixtures.
- Measure cut, bend and thread pipes as required.
- Join pipes using couplings, clamps, screws, cement or soldering.
- Test piping systems for leaks before commissioning.
- Basic carpentry such as drywall repairs including finishing of joints and patches would be considered an asset.
- Prepare housing units and other residential units prior to the arrival of new residents.
- Working in residential housing requires the work to be done in a timely manner, and making sure you clean up after your task is completed.
- Complete jobs independently or as part of a team depending on the specific assignment.
- Ability to respond appropriately to email and navigate online work orders with a tablet.
- Assure all work is completed according to plumbing code, safety regulations and best safety practices.

EDUCATION AND EXPERIENCE:

- The successful applicant will be a self-motivated, team player with the ability to deal tactfully and resourcefully with tenants and situations related to daily maintenance in apartment buildings, seniors' units, or family townhouse complexes.

Expected start date:

November 3, 2025
